

Ruth-A Vision For Provision

Ruth 4

When you have no hope desperately look for the hints. (Ruth 1:22)

Ruth 1:6.

After your turnovers you must still have a vision for provision.

You can still:

Recover (vv. 1-12)

There is still a chance for redemption after your turnovers.

Public Defender

Your Redeemer knows your case.

Purchaser

Redemption is always a bad business deal for the Redeemer, but it's a great deal for the redeemed.

Our Redeemer doesn't just know your case, but He knows His cause.

Proof

Reload (vv. 11-17)

There's still a chance for reproduction after your turnovers.

Why would you just experience redemption and not experience relationship?

Your intimacy with God blesses others. Others reap when you reproduce.

Return (v. 3)

There's still a chance for repentance after your turnovers.

What if God is waiting for you to turn around before He turns it around?
