

Culture Changers; Culture Creators-It Takes Every Kind Of People”

Nehemiah 7:1-73

It takes every kind of people to change and create culture.

Nehemiah knew that it takes every kind of people for:

The protection of the culture. (vv. 1-3)

Protectors must be trusted.

The population of the culture (vv. 4-69)

1. Priests/Levites (vv. 39, 43)
2. Singers (v. 44)
3. Gatekeepers (v. 45)
4. Nethinim/Sons of Solomon's servants (vv. 46, 57)
5. ??? (v. 61)
6. Priests maybe? (vv. 63-65)
7. Some of the people (v. 73)

Our target audience is everybody. It's not about franchising; it's about family.

It's bad when our priorities are merely to erect structures but disregard souls.

The patronization of the culture. (vv. 70-72)
