

## Culture Changers; Culture Creators-The Sequel: The Enemy II

Nehemiah 6:1-14

THE SEQUEL: The Enemy II.

Solutions for your sequel:

Know the routine-the script. (vv. 1-2, 4-8)

Your enemy persists because he/she/it has faith in you.

Know the role-the star. (vv. 3, 10-13)

In culture changing & culture creating scripts servants are the stars.

Make a decision to be purposefully self-aware and not pridefully arrogant.

Don't stoop to your enemies' level.

Be leery of someone who's always talking but never working.

Your foe is more dangerous when he/she/it appears to be your friend.

Know the relationship-the sage. (vv. 9b, 14)

I know what I know, and what I know knows me.

-Rev. Dr. Charlie Edwards Dates

When the enemy persists, you must persist in prayer.

Our relationship with God, the sovereign Director, is our advantage over our enemies.
