

With Jesus, It Ain't Over; It's An Opportunity!"
Luke 7:11-17

With Jesus, it ain't over; it's an opportunity!

**Because of His:
Compassion (vv. 11-13)**

Our benevolence shouldn't be based on others' beliefs.

Don't tell someone what to do with their pain unless you're willing to help.

Contact (v. 14)

We must toss our pious proprieties in order to touch people.

Homework: Do you tend to put religion over people?

Clout (vv. 14c-17)

Our circumstances must yield to His clout!

Too often our faith is in our faith and not in His unmerited favor.
